

## DONATE TO G20 SUPPORT FUND

This show of police and state repression is sucking us dry of resources, time and money. We understand this to be a function of their repression. We want to continue our struggles for freedom, and we want you to continue yours. We are inviting people from anywhere and everywhere to raise funds with us to cover legal fees and expenses to support folks.

Guelph ABC is collecting and raising money to cover things like: legal fees, sending letters and reading materials, transportation costs to court for defendants and supporters, transportation costs to visit defendants, and more. The money that ABC is fundraising is to facilitate everyday and immediate needs of the defendants.

# SUPPORT POLITICAL PRISONERS OF THE G20

While G20 leaders met behind a steel cage and a 1-billion dollar Fortress Toronto on June 26-27 2010, thousands of people took to the streets in opposition to policies of these twenty leading world governments or in negation of the global political and economic system in its entirety. Over the weekend, we witnessed an unprecedented coordinated police operation in the city of Toronto. There were 1090 arrests: the largest mass arrest in Canadian history. Despite this show of force, people in the streets were fierce and determined. On Saturday, June 26, a break-off march in downtown Toronto left behind a path of shattered glass and torched cruisers, a riot that had not been seen in this country in decades.

Eighteen people currently are accused of being part of Southern Ontario Anarchist Resistance (SOAR) and organizing protests against the G20 summit. Charges include: conspiracy to commit mischief over \$5000, conspiracy to assault police and conspiracy to obstruct police.

There are many other people also facing serious charges related to the G20 including mischief, arson, assault police and theft.

*There is currently a Publication Ban which means that details of the cases are not allowed to be made public.*

*The nature of conspiracy charges is that anything that one defendant says can be used against all of them. It is with this understanding that we respect those of our comrades who are silenced.*

The defendants have been released on house arrest with varying strict conditions. Some were in jail for a month or a few months before being released on bail. Police harassment of these folks has continued, including arrests for alleged breach and threatening home visits.

## LETTERS OF SUPPORT

*Please be cautious and respectful when writing letters; do not implicate anybody criminally, or talk about the allegations or case at all. Please let the defendants decide what they are comfortable talking about. Please don't talk about their co-accused in letters, as they have non-association conditions. Many of the defendants have non-association conditions with any 'known members' of SOAR, AWOL or NOII. If you could be considered by the State in some way affiliated with any of these (alleged) groups, please contact Guelph ABC before sending anything to avoid someone breaching their conditions.*

Letters of support can be sent to the defendants via Guelph ABC:

## **SUPPORT KELLY**

Kelly Rose Pflug-Back is a grassroots anti-poverty activist from Guelph. She was arrested over the G20 weekend on conspiracy charges (not co-accused with the alleged SOAR organizers). and released on bail. On July 21, police issued a news release announcing that she was wanted for 6 counts of mischief over \$5000 from the G20 protests. After weeks in jail, she was released on strict house arrest bail conditions. Her conspiracy charges have been since dropped. You send her mail through Guelph ABC.

## **SUPPORT RYAN**

Ryan Rainville is an indigenous activist who was arrested at the G20 and released on bail. About a month later, he was rearrested on more charges related to the G20 including mischief and assault. He was in jail for almost three months and was rejected bail multiple times. He was finally released on bail on November 9th with very strict conditions. You can send mail to him through Guelph ABC.
